numb 川麻记

不是被辣到了，只是被麻到了

Sichuan, in southwestern China, is a land of mountains and rivers, as well as the home of the panda. Life here is abundant yet unhurried, with joy found in the balance between nature and everyday living. From this landscape naturally emerges Sichuan cuisine, layered, expressive, and deeply rooted in mala. Bold yet refined, each bite brings together the wildness of the land and the warmth of human life, ultimately leaving a lingering sense of calm and quiet depth.

四川位于中国西南，这个被群山与江河环抱的地方，除了是大熊猫的故乡，还孕育出一种自在而丰盛的生活气息，这里的人在烟火与自然之间自得其乐。川菜正诞生于这样的土地——味道层层铺展，以麻、辣为骨，鲜、香为魂，既热烈奔放，又细腻平衡。一口入口，是山野气息与人间烟火的交织；回味之间，是柔韧、从容的生活智慧。

"NUMB" takes its name from "ma", the soul of Sichuan cuisine. Derived from Sichuan peppercorns, it carries a refreshing fragrance and a gentle tingling sensation that lingers on the palate. When paired with chili, it forms "mala" — not merely heat, but a layered, almost meditative experience of flavour. Vibrant yet balanced, it awakens the senses while remaining refined. Here, mala is not defined by intensity alone, but by a rhythm of flavour that slowly reveals its depth. We invite you to explore, to feel, and to discover its quiet depth.

"川麻记"取自川菜之魂——"麻"。这种独特的感觉，来自四川特有的花椒：入口微麻，带着清香，在舌尖轻轻跳动，与辣椒的热烈交织，层层展开。不同于单一的辛辣，麻辣是一种更立体的味觉体验——既刺激，又平衡，既张扬，又回味悠长。在这里，我们以"麻"为引，记录一方风味的灵动与个性，让每一道菜，都带着四川的温度与生命力。
